WHAT'S NEW

We are happy to announce that to help provide the best possible customer service to our residents and families the Pavilions leadership has decided to employ weekend personnel at the front desk. Currently the Receptionist hours are 11am-3pm on Saturday and Sunday with their primary responsibilities being answering the phones and screening in visitors. Our hope is that this will help to provide a smoother weekend visiting experience for our residents families.

Meet Erica Pfriem

Please join us in welcoming Erica as the new Main Lobby weekend receptionist. Erica is a relatively recent resident of the Traverse City area, having lived in Ohio, Colorado and most recently Florida. She vacationed here for many years with her family and was very happy to make this area her permanent home. She enjoys spending time outside, especially hiking and biking. Erica also likes to cook and bake and is always on the look-out for a new recipe especially using a new spice or ingredient.

WE LOVE OUR VOLUNTEERS

The Grand Traverse Pavilions would like to take a moment to say **THANK YOU** to the many groups and individuals who provide joy and assistance to our residents by volunteering. We also want to say **COME JOIN US** as we celebrate April 24-30 as National Volunteer Week, a time to celebrate and recognize the inspiring work volunteers do nationwide. National Volunteer Week is an opportunity to recognize the impact of volunteer service and the power of volunteers to tackle society's greatest challenges, to build stronger communities and to be a force that helps transform the world. Each year, a light is shined on the people and causes that inspire us to serve, recognizing and thanking volunteers who lend their time, talent and voice to make a difference in their communities. This year the Grand Traverse Pavilions would like to shine a light on our wonderful volunteers who have remained dedicated to our cause throughout the year. Our volunteers have continued to be diligent in their service and commitment to the GTP mission of enhancing the quality of life for aging adults. For more information on Volunteering, or to see what type of volunteer opportunities are available to you please feel free to contact Deborah Allen at 932-3020 or by emailing dallen@gtpavilions.org.

NATIONAL HEALTHCARE DECISIONS DAY

★ your decisions matter ★

National Healthcare Decision Day is April 16. The goal of this nationwide initiative is to ensure that all adults with decision-making capacity in America have both the information and opportunity to communicate and document their future health care decisions. Being prepared helps save your family additional distress during a time of crisis. See your Pavilions Social Worker for assistance or you may contact the Munson Medical Center's Advance Care Planning Department at 231-935-6176 for more information.

If you are planning a Leave of Absence (LOA) for the holidays or at any time, please make your request for medications **72 hours** in advance of the LOA.

The nurses will be happy to package your medications and have them ready for pick up prior to your departure.
