- Clean sink
- Refill soap and toilet tissue
(if needed)

Daily Cleaning Resident Room

- Vacuum
- Empty waste basket
- Clean over the bed table
(if needed)

Deep Clean of Resident Room

- Strip and wash bedding
- Dust all furniture and windowsills
- Dust blinds and wash the inside of the windows
- Make sure privacy curtain and carpet are clean
- Sanitize and clean doorknobs, light switches and shelves in bathroom
- Clean shower, walls and mirror in bathroom

If you ever have a concern with the cleanliness of a resident room or bathroom, please contact the Environmental Services Manager at **932-3134**.

The Eden Alternative was founded by Dr. William Thomas and is more than just a label. The Eden alternative is a lifestyle, one that moves away from the institutional model of care and into a constructive culture of “home” by transforming the atmospheres in which our residents live. Our goal is to continually strive to make the relationships between our staff, residents, families, and visitors abundant with all the loving delights that make a house a home.

A cornerstone of the Eden Alternative concept is that residents should have close and continuing contact with as much human habitat as they choose to embrace . Our residents have many opportunities each day for companionship and friendship not only from staff and peers, but also from family and friends.

In the future we also hope to create more chances for connection by re-opening our Intergenerational Age Exchange, where our residents, and the children from our employee Child Care Center can resume weekly, games and activities. Creating meaningful, intergenerational connections to look forward to each week.

Grand Traverse Pavilions first became an Eden Registered Home in March 1999, and continues to re-certify annually. Currently we are the only Eden certified home in Grand Traverse County. To see more about “Our Eden Journey” and how the Grand Traverse Pavilions lives out the Eden Alternative please visit our website at <https://www.gtpavilions.org/about-us/eden-alternative/> or visit our Eden Principals Board showcased just above the main lobby.

REMiNDER

Due to the current pandemic we have had an item drop off table in our vestibule to allow families to drop items off to their loved ones without having to come inside. We love to be able to give families this option, but want to make sure these items are delivered to the intended resident. In consideration of this we want to remind families to clearly **LABEL** the items they are dropping off. If you do not have a way to label your item we ask that you please contact the front desk at **3001** using the vestibule phone, and we will help you label your items. If you are dropping off items after hours please contact your loved ones Pavilion using the numbers listed by the vestibule phone.

Because your loved one's safety is our top priority we keep our doors locked to ensure that all visitors, vendors, and staff go through a proper health screening before making it up to our vulnerable population. We ask that when entering or exiting one of our doors that you take a minute to ensure the door properly latches before you leave. This will not only help us to ensure visitors are following proper infection control procedures but it will keep our residents safe as well.

LOA Medication

If you are planning a Leave of Absence (LOA) for the holidays or at any time, please make your request for medications 72 hours in advance of the LOA.

Our nurses will be happy to package your medications and have them ready for pick up prior to your departure.

If you have any questions please contact your Pavilions ADON or Cottage Nurse.
