Gifts of Gratitude

The Grand Traverse Pavilions Foundation is proud to be a steward in the creation of a “Cycle of Gratitude” for the residents, their families, and Pavilion staff that cares for our residents. Residents and their families are often interested in making donations in appreciation, or gratitude, for exceptional care given to them or their loved one by Pavilions staff. The Pavilions leadership has graciously agreed to allocate a portion of these donations to establish Foundation grants to support Pavilions departmental requests for equipment, programs, or activities that ultimately enhance resident care. Additionally, the Pavilion’s Foundation provides educational scholarships for eligible employees furthering their professional training and skills. To offer your support to the Cycle of Gratitude, pick up a “Gifts of Gratitude” brochure from the front desk in the lobby or check at one of the Nurses Stations for a copy.

A Cycle of Gratitude!

Together, we are enhancing care for our residents!
