Local, Senior Living Community Celebrates 'Season of Reflection' During National Observance

A weeklong celebration kicks off Sunday, September 10, and Grand Traverse Pavilions - Cottages, is joining tens of thousands of assisted living communities across the country for the festivities. National Assisted Living Week® – officially sponsored by First Quality in 2023 – continues through Saturday, September 16, and honors this year's theme, "Season of Reflection."

This year's National Assisted Living Week is a special time to recognize and thank those who truly make communities across the country a loving home. Season of Reflection provides both the chance to welcome the changing season and the opportunity for local communities to celebrate the individuals who live and work in assisted living. It is important to take this special time to learn more about this sector of long-term care and the important role it plays.

We encourage members of the community to stay connected and visit GTP social media pages for important updates during National Assisted Living Week. Engaging with our residents safely is a rewarding experience and makes a tremendous difference in their lives.

We have 4 "Doggie Stations" on The Pavilions campus. The stations are located along the fire lane between The Rehab Center and Elmwood Ave, behind the Dogwood Pavilion, the sidewalk behind Aspen/Birch Pavilion and the sidewalk in front of Evergreen Cottage, facing the Grand Lawn. The stations have bags as well as a waste receptacle for your convenience.

Thank you.

Get all New Fall & Winter Clothes Labeled!

You may let the assigned CNA on the Pavilion know and the clothes will be placed in a clean bag tagged with the resident's name. It will then get labeled and returned within 24 hours.

Did you know there is a drop box in the main lobby for placing your payments and donations? The gold drop box is located on right hand side of lobby just before reaching the Financial Management office.

Please feel free to use the drop box at any time. In addition to payments and donations, you may also drop off correspondence for the Financial Management staff.

JUST A LITTLE Reminder

Update your Information!

Please report any change of address, phone numbers, emails for responsible parties or any emergency contact person, primary physician or insurance coverage to your Social Worker.

Taking your Loved One Out

When you take your loved one out for an appointment or fun filled outing staff can leave their wheel chair in the designated spot at the Front Desk. The Front Desk was designed to store a wheel chair or walker while our residents are out of the building. This helps avoid confusion with the other Lobby wheel chairs.
